Are you an educator who teaches using the interRAI HC?
Visit CIHI’s Learning Centre for special resources for interRAI HC training.

More support using interRAI standards

interRAI Implementation Toolkit

www.cihi.ca/en/interrai-implementation-toolkit

This toolkit is a collection of practical resources that your health care organization can use when implementing an interRAI assessment system.

What you’ll find in each section:
• Suggested activities to help you move forward
• Ideas on how to achieve your objectives
• Links to useful resources

CIHI’s page for home care

www.cihi.ca/en/home-care

What you’ll find on this web page:
• Specific resources for interRAI assessors and educators, including job aids and links to manuals and forms
• Information about Home Care Reporting System data sources, reports and analyses
• A library of related content and videos
